

# Load Straps and Trailer Covers

Data Sheet Issue 00/01

## APPLICATION

Peak Trailers supply a comprehensive range of load straps which are made from polyester webbing. The load straps are available in a variety lengths and widths with either ratchet, cam or over centres buckles, incorporating steel wire, ring or snap hooks as well as sewn and endless loops to cover most holding requirements. *Please see overleaf for the specification of straps kept in stock at our Factory Shop and the fittings available.*

It is recommended to use a minimum of two straps and to adhere to the RAS (Rated Assembly Strength-defined as half the braking strength) when securing a load.

For volume orders the straps can be made to measure with, if required, Company names printed on them. All attachments and fittings are available separately. *Please ask our Factory Shop for assistance.*

## Trailer Covers

Peak Trailers supply three different sizes of leather cloth trailer covers with boxed corners and eyes to accept elasticated ropes measuring either 4' x 3' (102 x 76mm), 5' x 3' (127 x 76mm), or 6' x 4' (152 x 102mm).

All Trailer covers are waterproof and are sold complete with elastic straps. (Hooks, cleats and buttons not included). Predominantly supplied in grey or black, other colours are available upon request. *Please ask our Factory shop for assistance.*
